

# MACKAY ENGINEERING COLLEGE – Congratulations and welcome to our 2016 Mackay State High School students.

Year 11 students with teacher/trainer Bevan Appleby (Aidan Austin, Reece Horsburgh, Aidan Jones, Jaidyn Lavelle, Korban Lawson, Darcy Lyon, Lance Maguire, Justin Matsen, Mark Oosen, Douglas Pridmore, Matthew Pullom, Riley Ruddell, Garrett Smith, Hayden Swain, Rory Trueman, Shaun van Loenen)

Year 12 students with teacher/trainer Russell Mau (Daniel Beckham, Kieran Bennett, Joel Bloxsom, Dean Campbell, Bryce Carew, Brendon Connors, Brayden Day, Hayden Dunlop, Richard Gage, Jayde Mellross, Travis Roebuck, Jordan Siganto).

YEARS 11s - 2016 will be a very full year of study, workshop activities and work placements. The students will complete 6 competencies towards their Certificate II Engineering Pathways by the end of the year with the remaining 6 competencies being completed in 2017.

YEAR 12s – the students will complete all their remaining competencies towards their Certificate II Engineering Pathways.

Every Mackay Engineering College student should have their resume up to date in readiness for the 2017 Apprenticeship intakes. Some companies start their recruitment in June/July so it is important for all students to start checking the job sites on a regular basis.
