GLENCORE

Join Our Queensland Apprenticeship Program

Applications opening 5 June 2017, closing 3 July 2017

Glencore, one of the world's largest natural resource companies, is offering electrical and dual-trade mechanical apprenticeships which will commence in January 2018.

Where are we?

Our Queensland Coal Operations include Oaky Creek Coal, Rolleston Coal, Clermont Coal, Newlands Coal and Collinsville Coal Operations.

What is our program?

Our four-year Apprenticeship Program will allow you to develop your skills, experience and knowledge, and provide you with challenges and opportunities along the way. With on-site, off-site and TAFE training, our Apprenticeship Training Program offers a great mix.

You will have the opportunity to:

- Gain skills and experience and become a qualified tradesperson;
- Take advantage of strong career pathways for your future;
- Work with one of the world's safest and most successful natural resource companies; and
- Gain two trades by the end of your apprenticeship if you select one of the mechanical options.

Who are we seeking?

If you are an enthusiastic and motivated person with a commitment to achieve, coupled with a focus on safety, ability to work in teams and good communication skills, we would like to hear from you!

The minimum requirement is that candidates must have completed at least Year 10 by the end of 2017 to be considered.

How do I apply?

To apply you will need to provide:

- Your Cover Letter - introducing yourself and your reasons for applying
- Your Resume - including your personal details, education level and details of any practical experience or work history
- Copies of the last two (2) years of School, TAFE or University results
- Names and contact details of two (2) referees.

Get started!

Create a job alert and profile on our careers website and information about applying will be emailed to you as soon as applications open.
