

Mackay Sugar

Apprenticeships 2018

We are a progressive company employing over 600 people permanently and up to 950 seasonally, contributing significantly to the economy of Queensland and of the Mackay region in particular. Our history spans over 140 years, a testament to our resilience and innovation in the industry.

Our employees are essential to our success and are held accountable to our Values, which motivates us to ensure People and Safety remain paramount in all that we do. **Safety** and **Teamwork** are integral to our culture, and our **Drive for Results** is built on our ability to **Challenge, Innovate and Change**. By living our values and ethical principles, and actively fostering diversity and inclusion, our people make Mackay Sugar a company of the future.

As an employee of Mackay Sugar, you'll enjoy benefits such as career opportunities, training and development, access to discounted products and services at more than 20 local businesses and wellbeing initiatives including free annual flu vaccinations, and regular health checks.

APPRENTICESHIP OPPORTUNITIES OFFERED

Fabrication (Boilermaker) • Mechanical (Fitter & Turner) • Electrical (Electrical Fitter/Mechanic)

An apprenticeship at Mackay Sugar is your opportunity to develop a career in the trade you are passionate about where you will have access to a broad range of training and experience to help you excel with a combination of TAFE, on-site within a factory and off-site experience with other employers, as well as enjoying the benefits of an exceptional apprentice mentoring program.

The preliminary selection process will be conducted by Refined Recruitment Solutions and will include resume screening, aptitude testing, a preliminary interview and reference checking. Mackay Sugar will finalise the selection process with application screening, interviews and a review of school results. Ideal applicants will have completed Year 12 with pass grades or above in the following:

Fitting & Turning and Boilermaking - English, Maths A or Maths B, Graphics, and Technology Studies or Industrial Skills.

Electrical - English, Maths B or Maths C, Physics, Graphics and Technology Studies.

To apply, please visit our website to answer role-specific screening questions and attach your resume and supporting documents. Enquiries are to be directed to Refined Recruitment Solutions on 07 4942 1285 or 0412 597 348 (all hours).

Applications close at **4pm on Monday 18 September 2017**.
