

Parent Session - Mackay

Supporting Your Child with Autism at School

Session focus:

Parents and carers play a key role in supporting their child with autism in the school environment. This session will provide parents and carers with information and strategies in order to maximise educational and social outcomes for their children.

Topics to be covered:

- Understanding the support available to your child at school
- Building successful relationships with school staff.

Intended audience:

Parents and carers of children with autism who are school-aged (or entering school in the near future)

There is no cost for this session

** As this is a free session,
catering is limited.
Please bring your own snacks.*

Date:

Tuesday,
19th September, 2017
