

MECC YOUTH AMBASSORS 2018 EDDIE TILLER - MACKAY STATE HIGH SCHOOL

The Mackay Entertainment & Convention Centre is pleased to announce the successful nominees for the 2018 MECC Youth Ambassador Program. After receiving numerous nominations from schools throughout the Mackay region, the MECC have chosen the finest culturally-minded students that our district has to offer.

One special student from Mackay State High School has been selected as a MECC Youth Ambassador in 2018 – **Eddie Tiller**. Eddie's nomination demonstrated a keen interest in the Arts and a passion and desire to share this enthusiasm with her peers and the wider community. Eddie will now undertake some training early in Term 1 to prepare for ambassador duties and is looking forward to the Ambassador Program's first official event, **Bangarra OUR Land People Stories**.

The Youth Ambassador Program is designed to open a direct link from the MECC and its opportunities, to the students of the Mackay region. As a MECC Youth Ambassador, Eddie will help create bridges between the MECC and our district schools - ensuring a future filled with young people who love live theatre.

Many congratulations to Eddie, her family, and her supporting teacher Ella Barresi. Well done!
