

Parents and students of Year 10
are invited to attend:
Mackay State High School
Year 11 2019 Subject Information Evening

Date: **Wednesday 9 May 2018**

Time: **Commencing at 6.00pm**

Location: **Mackay SHS Hall**

Your students will be the first group of students to go through the new senior process. On Tuesday 9th May we will be holding a Year 11 2019 Subject Information Evening where Teachers and Subject Area Heads of Department will be available to discuss requirements of subjects offered in Year 11 2019. Information will also be presented about requirements for QCE and ATAR from 2019.

Representatives from CQ TAFE will also be available to discuss learning pathways for students as part of the VET in Schools program.

Students will receive the Senior Curriculum Guides for 2019 at this evening. This information is vital to appropriate selection of senior subjects. Students will not have a Subject Selection Evening later in the year. Decisions regarding possible subject choices will be discussed at the SET Planning Meetings scheduled 28 May to 1 June 2018.

Because of the significant changes to the curriculum and assessment for your child in Year 11 and 12, it is imperative that all parents and students attend this evening.

Donna Drinkwater
Principal

Sharon Barnard
HOD Senior Schooling
