# 2019 APPRENTICESHIP INTAKE

**The future is BIG.**  
**The future is yours.**

An apprenticeship with Hastings Deering is more than just a training program. It's an opportunity to learn from the best in the business in state-of-the-art facilities. With a network across Queensland, the Northern Territory, Papua New Guinea, the Solomon Island and New Caledonia, Hastings Deering offers extensive career opportunities in a variety of fields.

Working with world-class Caterpillar machinery, our apprentices learn about the repair, servicing and maintenance of a massive range of equipment, engines and power systems. At the completion of their apprenticeship, our apprentices receive a nationally recognised trade qualification. At Hastings Deering, the future is BIG and the future is yours.
