

ACCOUNTING CADETSHIP PROGRAM

2019

Do you have drive, ambition and a burning desire to help others succeed in business?

Accounting could be the perfect career for you!

2019 Cadetship applications are now open, commencing in February 2019.

The Flor-Hanly cadetship program offers the opportunity to undertake a Commerce, Business or dual degree while gaining valuable work experience.

This combination of work and study gives our cadets real-world experience as they learn alongside one of our experienced senior accountants.

It is not a requirement to have studied accounting at school or be completing an accounting major at university to apply.

Apply online at florhanly.com.au by completing the forms on our About Us/Careers page.

Applications close Friday 30 November 2018.

For more information contact Kerri Borg, General Manager, at kborg@florhanly.com.au or phone 07 4963 4800.
