

[www.stymie.com.au](http://www.stymie.com.au) encourages students to support their peers by making anonymous notifications through the site. These notifications will be about other students who you see being bullied or experiencing harm at **Mackay State High School**. You can also make notifications about illegal activity and any other kind of harm to your school community. The notifications can include evidence such as screen shots of Facebook conversations or text messages and are automatically forwarded to the school administration here at MNSHS. The first conversation we have, will be with the student who is experiencing harm - they will know they are not alone.

**Mackay State High School** is committed to supporting all students in being able to make positive choices about bullying and harm in our community.

Please use it. Use it responsibly and thoughtfully and know that you can make a difference.

Sometimes the **hardest thing** and the **right thing**  
are the same.
