

# Tool Kit for Girls

## WEDNESDAY 5TH JUNE 2019 TOOLKIT FOR GIRLS

- ☐ Are you interested in a trade career?
- ☐ Come and get your hands dirty
- ☐ Network with others looking to get into a trade

On the day there will be girls present who that have finished their trade, still an apprentice or thinking of becoming an apprentice like you. Come along, see and hear what it's like being in a trade is really like.

On the day you will have the opportunity to participate in the following practicals:

- ◆ Electrical—Ergon & BMA Hay Point, DBCT, Glencore
- ◆ Mechanical—BMA Hay Point, Cummins, DBCT, Glencore, Auto Corner
- ◆ Welding—Mackay Engineering College
- ◆ Electronics—BMA Hay Point, Glencore
- ◆ Oxy and plasma cutting—Mackay Engineering College
- ◆ Robotics—CQU

Plus find out what its like to be a boat builder or work in horticulture.

**How much does it cost?** Nothing.

**What time does it start and finish?** 9am to 3pm

**How do I get there?** You have to arrange your own transport

**What do I wear?** Long sleeve hi-vis shirt, steel capped boots and jeans.

**What's to eat?** Free smoko and lunch will be provided.

**How do I Apply?** Go and see your school VET co-ordinator for a registration form ASAP.
