

TERTIARY EDUCATION EXPERIENCE

For students with disabilities considering tertiary study

28 May 2019

Are you thinking about going to university? Do you have a disability and are you wondering what support is available to you? Want to find out more about access, pathways and support?

High School students in Years 10 to 12 and students who have recently completed high school or TAFE are invited to explore their tertiary study options at Griffith University's annual Tertiary Education Experience (TEE).

This year's program is 28 May 2019 at Logan Campus, 9.00 am to 2.30 pm

WHAT'S IT ABOUT

Talk to current students who are at university about their journey to university. Talk to experts, explore and ask questions. The program includes:

- Careers Workshops to explore your interests and opportunities
- How to prepare for university – study tips, applying, financial support
- What to expect? Hear from our peer mentors about their experiences of coming to uni
- Talk to Disabilities Service Officers about your individual support needs
- Customised workshop sessions with multiple university representatives and disability networks
- Parent and teacher sessions
- Campus and facilities tours
