

Mackay Hospital and Health Service

High School Health Care Engagement Program 2019

27 & 28 August 2019

Program Schedule

- Practical simulations sessions up to one hour each
- Sessions with Medical & Allied Health professionals 20 minutes – one hour
- Sessions includes details about what type of tasks they perform, other professions they work with, career opportunities and specialisations

What is Covered?

You will participate in multiple Clinical Simulations in our state of the art Simulation Centre.

Meet professionals from:

- Occupational Therapy
- Speech Pathology
- Public Health
- Dieticis
- Pathology
- Social Work
- Psychology

Key Points for Students

- Be open to all health career options – there's more than nursing & medicine
- There are many different options in terms of career paths and study options, considering entry requirements, courses etc.
- Many people make career changes or specialise later in their working life or do post graduate studies or qualifications.

Program Dates

Tuesday 27 August & Wednesday 28 August 2019

Forty successful participants to be advised by 9 August 2019.

Please send your resume and essay to Mrs Esau, axesa0@eq.edu.au by 26 July 2019 and it will be forwarded on to the coordinator.
